

SURAJ N

Bengaluru, Karnataka | 9611808850 | surajnr2001@gmail.com | [LinkedIn](#)

SUMMARY

Aspiring UI Developer with a strong foundation in front-end technologies, including HTML, CSS, JavaScript, and React. Skilled in building responsive, user-centric web applications using modern development practices and clean coding standards. Demonstrated strong analytical thinking by adapting quickly to new tools and environments, and consistently pursuing professional development through trainings or courses. Seeking an entry-level front-end developer role to contribute to high-quality products within a collaborative, cross-functional team.

SKILLS

Web Technologies: HTML, CSS, JavaScript

Frameworks & Libraries: React.js, Bootstrap

Programming Languages: Java, Python

Databases: MySQL, Firebase, DBMS

Domain Knowledge: Frontend Development, Full Stack Web Development

Soft Skills: Team Collaboration, Time Management, Leadership

Languages: English (Native Proficiency), Kannada (Fluent)

EXPERIENCE

Web Development Intern (Virtual), PAT Technologies Pvt. Ltd. (Edutainer) Feb 2026 – May 2026

- Worked on real-time web development projects using HTML, CSS, JavaScript, PHP, and React JS during virtual training.
- Collaborated with mentors and peers in a project-based environment, completing assignments within deadlines.
- Strengthened problem-solving, teamwork, and communication skills through hands-on application of modern web technologies.

Full Stack Web Developer Intern, Inventron Technologies

Apr 2024 – May 2024

- Developed and implemented web applications utilizing HTML, CSS, JavaScript, Bootstrap, Firebase, and MySQL for both front-end and back-end development.
- Integrated front-end interfaces with back-end databases and services to deliver seamless data exchange and enhance application functionality.

PROJECTS

Smart AI Resume Analyzer

Python, NLP, Streamlit

- Built a resume analyzer using Python and NLP to parse resumes, extract skills, score profiles, and recommend job roles via a Streamlit interface, ensuring unbiased evaluation.

Learning Language by Quiz

HTML, CSS, JavaScript, PHP, MySQL

- Developed an interactive language-learning platform with adaptive quizzes, real-time feedback, performance tracking, and dedicated user/admin modules.

Personal Portfolio Website

HTML, CSS, JavaScript, Bootstrap, PHP

- Built a responsive portfolio website featuring dynamic resume downloads from a database, project/skill showcase, and contact functionality.

EDUCATION

Master of Computer Applications — Sri Venkateshwara College of Engineering 2026 | CGPA: 8.65

Bachelor of Computer Applications — Bishop Cotton Academy of Professional Management 2024 | CGPA: 8.3

CERTIFICATIONS

- Full Stack Web Development – Inventron Technologies
- Front End Development Foundation – Infosys Springboard
- Python Foundation Certificate
- IoT Workshop

LEADERSHIP & VOLUNTEER ACTIVITIES

- Media Team Lead, MCA Department**, Sri Venkateshwara College of Engineering (2024–2025) — Directed the media team to develop and execute social media strategies and event promotion campaigns, driving increased audience engagement and demonstrating effective team leadership.
